MUR # 5627

Dear Sir/Madam:

I am writing you to alert you to what I believe is a misuse of Political Action Committee funds by the TSC Engineering Company, 6250 Westpark Dr, Suite 200, Houston, TX 77057. President and CEO of the company is Mr. Terry Cheng, PE.

I had been an employee of TSC from March 2003 to October 2004, during that time \$115 was collected from my pay every 2 weeks (total annual contribution of \$2,990) for a Political Action Committee. This "contribution" was never present to me as being voluntary. The contribution was taken not only from my pay but from the pay of each of the senior management staff members. Supposedly this PAC was employee controlled. However, I had never been involved in a meeting to decided how the funds were to be distributed, been able to elect a representative to any kind of a board, received meeting minutes, or been notified as to how the funds were used. I believe that this use of my contribution without having a say in its usage is a violation of the Federal Campaign Finance Laws.

This issue was first brought to my attention by the company's Senior Vice President & Chief Operating Officer Mr. Michael Jackson, PE.

Please look into this issue for me and send me a copy of any resolution documents so that I may forward them on to the Internal Revenue Service for their information and possible action. I will be sending a copy of this letter to them for their information. Thank you.

Sincerely,

Michael J. Lewis
